

# CALE GRAY

## SKILLS

**My skills include Salesforce, technical writing, SEO writing, employee training, speaking/presenting, and various laboratory science applications.**

## OBJECTIVE

**A long-term opportunity to use my existing experience in business management and medical laboratory science to help an organization become more profitable than it ever has been.**

## EXPERIENCE

**Transportation Coordinator II | ARUP Laboratories | April 2008 – Present**

Track and oversee transportation of medical specimens. Assist in supervising, training, and coordinating of medical couriers.

**SEO Specialist | Secrist Marketing Strategies | May 2011 – March 2013**

Write original SEO articles according to client contract specifications. Main client was Home Depot.

## EDUCATION

**Healthcare Management | Sep 2018 | Western Governors University**

BS in business with emphasis on leadership in healthcare.

**Generals | 2012-2014 | SLCC**

General education.
